**Aims and objectives of this session**
- To help delegates understand the principles and evidence behind the assessment and medical management of a BPO patient.
- To summarise / review the evidence base for electro surgery and lasers for surgical management of BPO.
- To help delegates understand the factors that influence the patient’s and surgeon’s choice of treatment modalities.
- Setbacks and Operative Solutions (SOS): Tips and Tricks to improve outcomes and avoid complications.

**Introduction/scene setting BPO 2019**
V.A.C. Ramani, Manchester (GB)
