Surgical BPO relief: All about enucleation
Poster Session 60

Monday 23 March
12:15 - 13:45

Location: Orange Area, eURO Auditorium 2
Chairs: R. Dmochowski, Nashville (US)
        F. Gomez Sancha, Madrid (ES)
        S.M. Haensel, Rotterdam (NL)

Poster viewing of 20 minutes. Presentations will take place on stage. Standard presentations are 2 minutes in length, followed by 2 minutes for discussion. Extended presentations (*) are 3 minutes in length, followed by 3 minutes for discussion.

820

Randomized trial of bipolar resection vs. Holmium laser enucleation vs. Greenlight laser vapo-enucleation of the prostate for treatment of large sized benign prostate obstruction; 3-years outcome

By: Elshal A. 1, Soltan M.A. 1, Laymon M.N. 1, El-Tabey N. 1, Nabeeh H. 2, Nabeeh A. 1

1Mansoura Urology and Nephrology Center, Dept. of Urology, Mansoura, Egypt, 2Kafr El-Shiekh university, Dept. of Urology, Kafr El Sheikh, Egypt

821

A prospective randomized study compares the safety and efficacy of Holmium laser enucleation of prostate versus bipolar transurethral resection of prostate for management of benign prostatic enlargement

By: Hassan A.A. 1, Mamdouh M.H. 1, Elbendary A.E. 1, Habib E. 2

1Tanat University, Dept. of Urology, Tanta, Egypt, 2Cairo University, Dept. of Urology, Cairo, Egypt

822

Do postoperative benefits continue after 10 years from Holmium Laser Enucleation of the Prostate (HoLEP)?

By: Fallara G. 1, Capogrosso P. 1, Candela L. 1, Schifano N. 1, Pellegrino F. 1, Cazzaniga W. 1, Boeri L. 2, Belladelli F. 1, Dehò F. 1, Matloob R. 1, Mirone V. 3, Salonia A. 1, Montorsi F. 1

1IRCCS Ospedale San Raffaele, Dept. of Urology, Milan, Italy, 2IRCCS Fondazione Ca’ Granda – Ospedale Maggiore Policlinico, University of Milan, Dept. of Urology, Milan, Italy, 3Università Federico II, Dept. of Urology, Naples, Italy

823

The effect of laser energy consumption on the lower urinary tract symptoms in early stage after hoLEP

By: Liu K., Xiao C., Ma L.
Peking University Third Hospital, Dept. of Urology, Beijing, China
**824**

**HoLEP with MOSES technology, evaluation of safety and effectiveness in a prospective randomized study on a cohort of 140 patient**

By: **Hussein Mohamed Ismail Y.**, Petrelli F., Ceresoli F., Milesi R., Bellangino M., Vavassori I.

1Ospedale Treviglio-Caravaggio, ASST Bergamo Ovest, UOC Urologia, Treviglio, Italy,
2Ospedale Treviglio-Caravaggio, ASST Bergamo Ovest, UOC Oncologia, Treviglio, Italy

**825**

**Anterior prostatic urethral mucosa preservation technique in one-lobe enucleation**

**HoLEP has a potential to reduce post-surgical incontinence**

By: **Fujisaki Y.**, Kobayashi T., Miyake N., Ito K., Terada N., Kamoto T., Iwamoto H.

1Faculty of Medicine, University of Miyazaki Hospital, Dept. of Urology, Miyazaki, Japan,
2Nozaki higashi Hospital, Dept. of Urology, Miyazaki, Japan

**826**

**The novel HoLEP technique Omega Sign improves continence outcomes of surgery**

By: **Tunc L.**, Yalcin S., Kaya E., Gazel E., Yilmaz S., Aybal H.C., Yilmaz M., Tokas T.

1Gazi University School of Medicine, Dept. of Urology, Ankara, Turkey,
2Health Sciences University, Gülhane Training and Research Hospital, Dept. of Urology, Ankara, Turkey,
3Acibadem University Ankara Hospital, Dept. of Urology, Ankara, Turkey,
4Health Sciences University, Dr. Abdurrahman Yurtaslan Oncology Training and Research Hospital, Dept. of Urology, Ankara, Turkey,
5Health Sciences University Ankara City Hospital, Dept. of Urology, Ankara, Turkey,
6General Hospital Hall i.T, Dept. of Urology and Andrology, Hall in Tirol, Austria

**827**

**Recovery from transient urinary incontinence post-HoLEP – findings from a prospective trial (ExpHo)**

1IRCCS Ospedale San Raffaele, Dept. of Urology, Milan, Italy,
2IRCCS Fondazione Ca’ Granda – Ospedale Maggiore Policlinico, University of Milan, Dept. of Urology, Milan, Italy,
3University , Dept. of Urology, Naples, Italy

**828**

**Does 5-alpha reductase inhibitor intake impact procedural efficacy, short- and long-term functional outcomes in patients undergoing Holmium Laser Enucleation of the Prostate (HoLEP)? - a retrospective single-center analysis among 1,360 patients**

1University Medical Center Hamburg-Eppendorf, Dept. of Urology, Hamburg, Germany,
2University Medical Center Frankfurt and University Medical Center Hamburg-Eppendorf, Dept. of Urology, Frankfurt, Germany
