| 18:00 - 18:05 | **Introduction**  
  J.A. Witjes, Nijmegen (NL)                                      |
| 18:05 - 18:25 | **European multi-center study results**  
  J.A. Witjes, Nijmegen (NL)                                |
| 18:25 - 18:45 | **Case studies: Clinical implementation of bladder EpiCheck in NMIBC monitoring with panel discussion**  
  J.W.F. Catto, Sheffield (GB)                           |
| 18:45 - 19:05 | **Bladder EpiCheck research beyond NMIBC monitoring**  
  R. Miano, Rome (IT)                                   |
| 19:05 - 19:25 | **How does bladder EpiCheck change my decision making for patients with NMIBC**  
  S. Shariat, Vienna (AT)                                 |
| 19:25 - 19:30 | **Conclusions**  
  J.A. Witjes, Nijmegen (NL)                               |

This workshop is by invitation only.
